***Bonus Pool Volumes are shared by all that qualify for that respective pool. You may qualify for multiple pools simultaneously. Group volume requirements are per month and re-set each month. Qualified new orders and auto-shipments combine to make up group volume, calculed in your Unilevel's 1st 10 levels only. You can get paid on multiple pools the same month! All participants must also remain on active auto-ship of a product to be eligible.**
